**Operation "Protective Edge" Launched in Gaza**

After a night of the most massive attacks on Israel's south since Operation Pillar of Defense in November 2012, the Israeli army started "Operation Protective Edge" and attacked about 50 targets in Gaza, with the goal of restoring peace and quiet for Israel's southern communities. KKL-JNF's work will continue in the safest way possible, in accordance with security developments in Israel's south.
